

QUANTUM CAREER ACCELERATOR™

The Career Transformation Programme for GCC Women Ready to Rise to Director Level — and Beyond

Dr. Nebila Dhieb · PhD · ICF Coach · NLP Master Practitioner · Proctor-Gallagher Consultant · 15 Years GCC Leadership

WHAT THIS IS

A rigorous 12-module transformation combining Proctor-Gallagher methodology with world-class positioning, interview, LinkedIn, and leadership strategy — built exclusively for high-performing GCC women done playing small. Two immersive interfaces. Live cohort + 1:1 coaching.

WHO THIS IS FOR

- ◆ High-performing — and somehow still being overlooked
- ◆ You know your worth but haven't been claiming it financially
- ◆ Targeting Director / VP+ with a real strategy to get there
- ◆ Done with generic advice that ignores your GCC reality

◆ INNER LEAP INTERFACE · *The Mindset Transformation · Modules 01 03 05 07 09 11*

01 WORTHY CAREER GOALS [MINDSET]

Declare the goal that scares you — then build the belief system that makes it inevitable.

03 SELF-IMAGE [MINDSET]

Replace the self-image capping your career with the one that belongs at Director level.

05 CLOSING THE KNOWING-DOING GAP [MINDSET]

You know what to do. Identify what's stopping you — and install a 30-day momentum protocol that holds.

07 UNLOCK YOUR INFINITE POTENTIAL [MINDSET]

Master the conscious/subconscious mind distinction and install practices that make your goal feel inevitable.

09 THINKING INTO YOUR CAREER RESULTS [MINDSET]

Master the Career Thought Shift Process — and start creating your results instead of reacting to them.

11 ATTITUDE & LEADERSHIP PRESENCE [MINDSET]

Build the leadership presence of the Director you're already becoming — before anyone gives you the title.

◆ OUTER LEAP INTERFACE · *The Skillset Transformation · Modules 02 04 06 08 10 12*

02 INDUSTRY POSITIONING [SKILLSET]

Build the UVP and strategic narrative that make the right decision-makers say: 'I need to meet her.'

04 REMOVING FINANCIAL BLOCKAGES [SKILLSET]

Excavate the hidden money beliefs quietly capping your income — and rewrite the paradigm that sets your salary ceiling.

06 PRODUCTIVITY ROADMAP [SKILLSET]

The 9-Rule Playbook of top 3% performers: protect deep work, design your ideal week, launch your Visibility Sprint.

08 CV · INTERVIEWS · SALARY NEGOTIATION [SKILLSET]

Stop showing up as a candidate. Walk in as the decision-maker — Level-3 language and the salary script that delivers.

10 LINKEDIN VISIBILITY [SKILLSET]

Turn your profile into a 24/7 positioning ambassador and execute the 7-Day Visibility Plan that works immediately.

12 COMMUNICATION & LEADERSHIP LANGUAGE [SKILLSET]

Master your voice, eliminate language that diminishes your authority, and deliver your Quantum Leap Declaration.

TWO FORMATS. ONE TRANSFORMATION.
